

# TRINITY NEWS

**T**oday's scripture readings seed hope and life from the breath of God into the Lenten journey. Dry bones come to life, Lazarus comes out from the grave and lives again. This ongoing ministry of Jesus continues to unfold next week when we remember Jesus ride into Jerusalem not on a war horse but a donkey, not for a golden crown but for the things leading to his crucifixion. It is a confusing day. There is a lot of suspense and the crowds shout "Hosanna! Save us!" some people in the crowd may have come because they had seen Jesus raise Lazarus from the dead or to testify about Jesus' saving power. Other people were there to plot his death. I encourage us to slow down if we are able as we celebrate Palm Sunday and Holy Week, to reflect for ourselves and invite others to enter the tension, suffering and joy of life, death and resurrection. These are the matters of the world around us now.

The Graduation of the School of the Church of the Holy Spirit Early Learning Centre in Taguig took place last Wednesday. Bishop Dixie and I attended the Church Service followed by the Graduation Ceremony which was held at the nearby basketball ball court. Padi Helen led the church service, Bishop Dixie preached on unity. We all had the privilege of presenting the students with awards. I give thanks to God for the generous contributions from the parish and individuals which enable a good education and future for these children. This is like planting seeds which grow and give life giving opportunities for the students, and in time to come, for the children's children. Deacon Mary and I aim to keep in touch with the school to keep developing links with our closest Church neighbours.

Thank you for your support.
