## ASCENCION DAY

As a child I can remember being left behind after our visit to my Uncle and Auntie’s home. My parents, brother and sister jumped in the car and drove away leaving me to question why they forgot me.(My parents will read this on our web page and smile I suspect). It was ok, my Uncle and Auntie also wondering and laughing, had a bigger understanding than a child’s mind. They knew that my father would eventually realise and turn the pale green Holden around to come back for me. Ascension Day, Jesus leaves the disciples to sit with God, and we wait for his return, it’s a promise. I wonder how others see the return, are we still waiting, has it happened already, or maybe even somehow both? Oh, yes my family did come back, also confidently laughing.

Love and prayers

Fr. Peter
