

TRINITY NEWS

The Holy Trinity, our special day because this Church in the heart of Manila shares this sacred name. But fitting three persons into one! How do we describe this? Can we describe this? Maybe it is better to experience the Holy One than to try to describe God? Today is the day to

do just that. We worship with our brothers and sisters from the Church of the Holy Spirit.

Bishop Dixie will confirm 11 Confirmation Candidates who will be inspired by God. The Pastoral Team will be commissioned to offer prayer, care and service to others as taught by Jesus the Christ. As a congregation we meet again to worship God the Father, reading ancient scripture, singing psalms and Hymns, along with all the saints sharing in the sacramental meal of promise, and listening for God in the silent spaces.

This is God's beloved community of faith that fills in the gaps when words fail. With all our diversity and differences we make our home here until we meet again, this is to experience the mystery. This is the merciful and mighty one with loves work in action. This is the Holy Trinity. May it always be a World without end.

Love and prayers

Fr. Peter

Philippine Independence Day: The day of celebration of independence varied throughout the nation's history. The earliest recorded was on April 12, 1895, when Andres Bonifacio, along with Emilio Jacinto, Restituto Javier, Guillermo Masangkay, Aurelio Tolentino, Faustino Manalak, Pedro Zabala and few other katipuneros went to Pamitinan Cave in Montalban, Rizal to initiate new members of the Katipunan. Bonifacio wrote *Viva la independencia Filipina!* or *Long Live Philippine independence* on walls of the cave to express the goal of their secret society.
