

# TRINITY NEWS

*I* remember the first time I rode a two-wheeled bicycle. My brother would push me around, and as long as he was steadying me by holding the back of the bike I was fine. Then one day without telling me he let go, I thought he was still pushing; and I kept peddling. It wasn't until I reached the back of the yard that I realized I was riding on my own! I fell off as soon as I realized this, however, it gave me confidence that I could do it. Today's gospel according to Mathew has Jesus sending out the twelve disciples with little possessions into a dangerous world to deliver the good news. They may feel they can't do it, it's too hard, yet Jesus knows they can. To trust in their calling with their God given abilities. Stumbling and falling from time to time will be all part of it.

Love and prayers.

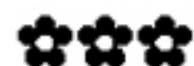

Fr. Peter

To Agosto and the boys for setting up and cleaning up, Shella for preparation and serving, Claire organising the food, Maricel for taking some great photos and collecting money for drinks, Emily for the salad and others for the cakes and dessert that was lovingly produced and donated along with drinks from Linda Keng. A great day of celebration together and commissioning to go out. Thanks to all.
