

TRINITY NEWS

“Divide and conquer” has been a method over the thousands of years of Kingdom building. Woven through all three readings in today’s lectionary appears to be the opposite. “Unify and submit”, this may not sound like a winning slogan! Yet when we first seek the Kingdom of God,

and His righteousness this is what we will hear. Jew, Gentile, Eunuch, Canaanite Woman, all have equal standing in this upside down Kingdom built on the firm yet often fragile relationship with the Trinity, which we are invited to live in and through. With Christ the King upon a throne of love for all, governing a world bigger than we usually give God credit for. Once again we hear the Good News, and are urged to live it out. Today our confirmees receive their certificates and begin a new stage of their individual journey’s faith. Let us with one heart and one mind be examples to them whilst we learn from them.
