

# TRINITY NEWS

Life teaches us to expect the unexpected, yet when the lesson is delivered it's easy to ask why? When the unexpected death of Lady Diana, Princess of Wales, was delivered on August 31 1997 to a disbelieving world, communal grief touched the hearts of many. This is not the way fairy stories end! Every one is meant to live happily ever after. When the Kingdom of God collides with the Kingdom of a different kind, Good News is still able to be born. Petty differences drop as the world is reminded that bad things happen to good people, causing a rethink of what really matters in life. Stories of hope are told, songs are written, charity is stirred. God does not stop work because of death, in fact it appears rather the opposite. May Lady Diana rest in a peace we continue to work for.
