

TRINITY NEWS

If you have ever experienced a gracious act from someone, then you will understand the point of the parable of the unmerciful servant from the Gospel according to Mathew. But if you are like me, it's easy to have a short memory, and the need to remember what acts of mercy I have received. When I do, the Kingdom of God is revealed. We are free to live. It's not rocket science. "Forgive us our debts as we forgive our debtors." It's a spiritual equation. Somehow the mercy of Jesus paid the ultimate debt on the cross. It's in this gratefulness we can find our passion to live out what we pray. Another equation will then break forth. "Blessed are the merciful, for they shall receive mercy."
