

TRINITY NEWS

Stewardship, a recap.

We are the body of Christ, a family of Faith. All born with different talents to share.

Each Parish on top of housekeeping expenses, comes with different needs and outreach for the building up of God's Kingdom, as we continue, the leadership of the Parish is called to encourage opportunities for gifts to be used and spiritual growth.

Our predecessor Bp Brent laid down 3 areas of responsibility. Spirituality/ Sharing the Good News, Healthcare and Education. The congregation has been asked to pray for direction in which we believe God calls us to serve in the this wonderful and diverse part of the Philippines. I look forward to how we believe the Holy Spirit speaking with us and through us.

One immediate request is the need to build up the Children's Ministry with more teachers. If we are blessed with others to help, my hope is a monthly teaching commitment during school terms. To do our best for those who teach and child safety we have a four session teaching program and a police check to protect the good name of our volunteers and provide confidence to the families attending Holy Trinity.

If you believe you are called for this important role, please speak with Deacon Mary or me.

With thanks
Fr. Peter
