

Trinity News

Chosen by God - it feels good to be chosen. Jesus's parable in Matthew's Gospel tells us there is another side to being chosen. This is by accepting the invitation. Our baptism is one way we are chosen by God to follow the way of Christ. I think it's a wise move to check our RSVP from time to time as our action to ministry and mission becomes a living reply. Thank you to those who have been prayerfully considering the further direction of outreach and mission from the Church of the Holy Trinity. I have heard some encouraging suggestions and would be pleased to hear further thoughts and ideas.

Thank you to all who contributed to the lunch celebration last Sunday. Claire and Maricel, Agosto and the boys, offerings of food and drink, prayers and care, and ourselves, we too are a blessed offering.

Well done to our youth! Thank you for making Sunday so special for Jak. Now let's look forward to Christmas!

Spirit corner.

How do we be mindful of not always, 'counting the cost'?
When Mary broke the bottle and poured the ointment, she didn't stop herself to count the cost or calculate how much she actually needed. She spilled it all out. Lavishly. Extravagantly. Until her treasure ran down over Jesus' feet and soaked the floor.
This week, let's be 'lavish' and 'extravagant' with love.
