

TRINITY NEWS

I like the song “The Impossible Dream” most popular from the 1965 Broadway musical *Man of La Mancha*. No matter what people thought of his success, Don Quixote puts on his armor and followed his quest. The Angel Gabriel’s messiah message to Mary to ‘not be afraid’, even though you shall give birth to the long awaited Messiah must have seemed like an impossible dream. As we look through the bible stories, it seems that we are asked to specialize in the impossible. For nothing will be impossible with God.” And if Angels keep pestering you with outrageous statements, there seems to be one sure way to get them to stop. Then Mary said, “Here am I, the servant of the Lord; let it be with me according to your word.” Then the angel departed from her.

May your Christmas and New year be filled with impossible dreams.
