

# TRINITY NEWS

Here we go again, Palm crosses and Branches carefully and lovingly prepared.

Processions, and shouts of 'Hosanna'. Like any parade the shouting and cheering can be short lived. People return to their homes, the tickertape is swept up, and before you know it the familiar street sounds resume. I wonder if that is what it was like when Jesus entered Jerusalem? Did the same people who sung praises to Jesus, later shout 'crucify him'? Either way, we are in a time and place where we are privileged to reading how the story ends. Yet I wonder, is it still easy to forget? Maybe it is not so much the entry itself into Jerusalem towards being crucified to not forget, but rather the 'lowly' manor and mind of how Jesus lived this out.

Hosanna in the Highest!  
Fr. Peter

## Your prayers are asked for:

**The World:** We pray for developing diplomatic relations between the Philippines and other International countries. May the essence of this upcoming Holy Week provide encouragement and growth towards hope and new possibilities.

**The Church:** We pray for all Easter Services in Manila and beyond. May God's Spirit inspire and lead towards the paradox of this Holy Season.

**The Community:** We pray for a time of safe travel for all, for enriching times with those who will visit family and friends, and a sense of oneness for those who are unable to meet with their families and friends.
