

TRINITY NEWS

John 17 is often referred to as the real Lord's Prayer. Jesus gives his farewell prayer for his loved disciples. He wants the best for them. He knows that following his teaching means they are now different, the rational way of the world will no longer make sense, they will now live in inner conflict until they die. We too will be questioned or ridiculed by others for following the same way of living as taught by our Lord, the way where the outcast and lowly are lifted up and we notice our own reflection in their eyes. The way where healing is married with forgiveness and what we see as broken is restored to wholeness. This Lord's Prayer is for us too! We abide with God and each other, the joy Jesus refers to becomes real in our hearts.

Thanks to our ascended Lord.

Fr. Peter

"The beginning of love is to let those we love be perfectly themselves, and not to twist them to fit our own image. Otherwise we love only the reflection of ourselves we find in them."

-Thomas Merton
