

TRINITY NEWS

Blessed be our God, the Trinity, Father Son and Holy Spirit, one truth, one divine essence. A perfect name for a Church because the Holy Trinity keeps us humble. Just when we may think we have God all worked out, along comes the Holy Trinity and says, "Can you explain who I am". If you think you can, please talk to me after the service. To explain the trinity would be like asking our pet dog Noah to explain the artwork collection of Michelangelo. It seems to me the best way is to witness and be willing to be part of the extraordinary painting of life God places before us, with all its colour, beauty and imagination. Not only to witness, but to become a brush stroke of colour. To be together and celebrate our Patronal Festival today, we become a living witness of God's three in one unity.

In the name of the Father, Son and Holy Ghost.
Fr. Peter
