

TRINITY NEWS

Mother Teresa was an inspiration to countless millions for her lifelong devotion to the neediest and most vulnerable of the world. The selflessness and sacrifice with which she lived her own life made her an international symbol of charitable work, and the love and compassion she showed the destitute of all faiths won her a Nobel Peace Prize in 1979, which she donated entirely to the poor.

Mother Teresa found her inspiration in Catholic teachings, but won widespread affection and admiration in her adopted home of Calcutta, India by respecting local customs and beliefs, and always placing our common humanity above religious divisions. (from Goalcast.com)

Thank you Bertie Ezra for sharing your connection with Mother Teresa and her Gospel message in action.

Fr. Peter

Hello to everyone at Holy Trinity,

My love and prayers are with everyone as we journey through saying farewell to Robert Kuan. His devotion and faithfulness will remain beacons of light before us.

I have been seeking simplicity in my life and within this simplicity my thoughts led me to the notion that offering our breath to God is enough.

Breathe.

I believe every action of Jesus was an act of liberation, if we chose to look deeply enough. Therefore, via his love and grace we can relieve ourselves of; shame, guilt, regret, disappointment, despair, self-loathing and be empty.

And then we can breathe the sweetness of emptiness.

Is it possible that when if we inhale before we act upon a personal inclination, reaction or judgment, coupled with the acceptance of being liberated, that our response would be a reflection of the mind of God?

And all we have to do is breathe.

*Love and prayers
Deacon Mary*
